## About Flooring Worx

---

Flooring Worx Inc. is a minority certified commercial floor-covering contractor offering Design, consulting, and professional installation of premium flooring throughout Central Florida.

Our firm specializes in custom flooring solutions based on specific client needs across a wide spectrum of institutional and business segments; Education (K-12, community colleges, universities), Government (local, county, federal), Healthcare (hospitals, managed care, biotech), and Corporations (headquarters, industrial, campus).

At Flooring Worx, we take great pride in the long-term client relationships that we build by providing outstanding product quality and value in addition to superior levels of customer service unique to our industry. We believe that all of our clients should benefit from our ability to not only identify the best overall flooring solution, we install it right the first time and then keep pace with the evolving needs of our customers over time. When choosing Flooring Worx, you will benefit from our belief that real service begins before the sale and lasts a lifetime -just like our products.

We furnish and install products from a variety of flooring manufacturers.

## Government Customers

---

Flooring Worx Inc. specializes in doing work with the government. We have a vast knowledge of government procurement and understand all of the qualifications needed to be awarded this work. With a complete understanding of the simplified inquisition process and all labor regulations we make doing work with us a simple process.

Certified on both the Florida State Contract & GSA we are also CCR Registered, we are fully capable of tending to all of your floor covering needs. We are fully versed in working in occupied government spaces and complete our work without causing interruption.

We install it right the first time and then keep pace with the evolving needs of our customers over time.

## Services

---

Flooring Worx Inc. provides and installs a comprehensive range of products from the industry's largest manufacturers. Highly engaged in the process of product selection and specification, Flooring Worx focuses on assisting clients in making the best choices for their needs.

Flooring Worx experts strive to be an expert resource at the forefront of the flooring industry. The company's representatives regularly meet with manufacturer representatives to stay on the cutting-edge with the latest products and innovations.

Flooring Worx understands the key to any project's success is the ability to complete it on time and without disrupting clients' businesses. Flooring Worx plans projects according to a schedule, tailors the labor to the job and remains on-call.

The company's trained technicians bring a professional focus to each project. Questions get answered quickly and the quality of the final product represents the highest standards.

Flooring materials, including carpet, vinyl and wood, can be combined to create a completely unique environment. Available in a variety of colors and textures, flooring systems can be cost-effective, while serving as a true design platform.

Flooring Worx experts always look at a variety of possibilities and design options, working in collaboration with clients to achieve stunning floors. Flooring Worx ensures designer's selections enhance a workplace and meet key criteria for the space.

## **Mission Statement**

---

Flooring Worx is dedicated to being a leader in the floor covering industry. We set standards of excellence by which all others are measured. Our team of professionals is committed to excellence and dedicated to quality. Our utmost priority is to assure that these standards are met for each and every customer.

### ***Integrity***

Flooring Worx prides itself in always doing the right thing, even when it may be unnoticed by others, to insure our quality standards are achieved.

### ***Professionalism***

Flooring Worx believes in a positive work ethic, we respect our customers and business associates.

### ***Teamwork***

Flooring Worx goals are within reach when we work as a team utilizing the collective assets of our group of knowledgeable, highly motivated individuals. We believe the results achieved by a team effort are far greater than the performance of a group of individuals working independently.
